My dear Mrs. Roosevelt:

On April 27th, Creative Age Press is publishing my book No Voice Is Wholly Lost... (a quotation from Aristotle). It deals with the psycho-social confusion of our War era, as represented in our literature, culture and philosophy. Positively, the book indicated the efforts to transcend this chaos in a cultural and social One World - hence the title. I am asking Creative Age Press to send you an advance copy which ought to reach your desk sometime next week.

Respectfully yours,
Harry Slochower
