Miss Thompson
Secretary to Mrs. F. D. Roosevelt
White House
Washington D. C.

Dear Miss Thompson:

While in Washington, Cousin Eleanor indicated she was very interested in Youth Centers and we wish to send her a moving picture of our Centers but I am not sure which film we should send. Won't you please let me know if the White House projector is for 35 mm. or 16 mm.

It was nice seeing you. My Son had a great time and so did I.

Sincerely

L. W. Jr.
