

Watt-Way

1882 Franklin Delano Roosevelt 1945

Full Confident -
He knew no fears.
Bravely he walked -
Adown the years.
With Destiny, a Rendezvous -
Just when, or where,
He sought no clue,
By brace of steel
No longer bound -
The Rock was cleft -
On Higher ground.
In memory's wine
We breathe the name -
Our Roosevelt -
Of World wide fame.
