Dear Mrs. Roosevelt:

I am taking this opportunity to send you a copy of the letter which I sent to the President.

You will undoubtedly have drawn to your attention the names of many women who could serve as advisors at the Security Conference in San Francisco.

I wish to place Dr. Hickman's name before you for your consideration and judgment.

Sincerely yours,

*Mary S. Ingraham*

Dear Sir:

The National Board of the Young Womens Christian Associations would like to propose the name of Miss Emily G. Hickman of New Brunswick, New Jersey, for membership on an advisory group in connection with the security conference in San Francisco.

A member of the National Board since 1932, Dr. Hickman is chairman of its Public Affairs Committee as well as its Committee on Refugees and Interned Women. She is also active in the American Association of University Women, is chairman of Education for the Women's Action Committee for Victory and Lasting Peace, a member of the National Peace Conference and other organizations. She is Professor of History at the New Jersey College for Women in New Brunswick.

The Y.W.C.A. has more than a thousand community and student Associations in all parts of the country, with a constituency of three million women and girls. It was the first women's organization to urge entrance of the United States into the League of Nations. It is a part of a world organization and it has always been particularly interested in, and has worked for, international cooperation. Dr. Hickman would make a valuable contribution to an advisory group and her membership on it would enable the Y.W.C.A. to help effectively in the development of public opinion among its constituency.

Sincerely yours,

Mrs. Henry A. Ingraham  
President
