Mrs. B. 11-14-46

October 30, 1946

My dear Mrs. Bierer:

I can appreciate your desire to bring your relative to this country and I am sorry I cannot be of any assistance.

The State Department has set up rigid rules regulating immigration to this country and they must be complied with.

I am no longer connected with the government and do not have any influence in such matters.

With many regrets,

Very sincerely yours,

October 31, 1946

Dear Mrs. Bierer:

I appreciate very much your generous gift and I am very sorry you went to do much expense.

I presented your case to Mrs. Roosevelt and she regrets there is nothing that she can do to help. As I previously explained, the quota lists are filled in order of application and the State Department has charge of them.

Very sincerely,

My Dear Mrs. Roosevelt

Probably you will remember that last year I was in your office and explained to your secretary the tragedy of my family. Where in a town in Poland, in one day the Nazis murdered 2,500 people; 48 of those murdered were my of the nearest family. June 1946 we were notified from Bergen, Belsen camps, that we have two nephew survivors since 1942. There. The month of July we have sent out the necessary affidavits to the Hias Inc.

Hanover which is the British Zone.
They in turn forwarded these
papers to the British Consulate.
At that time the British Consul
transfered my nephews to the
camps in U. S. Zone. The address
follows: Flurigundendamm 60,
Bamberg, Bayern.

Some time ago the American
Consul ~~to Germany~~ Bamberg informed
my nephews ~~in Bamberg~~ that
they are not entitled to the
visas, because they had not
been in the U. S. Zone in Dec. 22,
1945. Yet they have been endan-
ged by the Nazis in Germany &
since 1942. Mrs. Roosevelt,

unfortunately I believe this is
a technical matter. Therefore
please as a humanitarian,
have mercy and help my nephews
to free themselves from the
slavery, where they ~~find~~ are
for no reason of their own
except for racial persecution.
Mrs. Roosevelt at the time I
was in the office your secre-
tary told me: to send out
their affidavits and you Mrs.
Roosevelt will see what you
can do for them. Please now
I am calling upon you for
you to help my nephews to
~~have secure granted~~ the visas.
