My dear Mrs. Roosevelt,

Because Mr. Brooks is unable to write his own letter to you, due to the injuries he sustained, he has asked me to send you this letter expressing his appreciation for your kind note of sympathy.

Both Mr. Brooks and Mr. Dowdell are slowly recuperating from their injuries, but it will be many weeks before Mr. Brooks is able to resume his duties as Manager of the above children's and adults' camp which as you may know is located in Dutchess County.

Mr. Brooks has expressed the hope that you might be able to accept his invitation to visit him for dinner some evening next week, here at our camp, where he is now staying. He would appreciate your advising him whether you can come to see him, and if so, when it will be convenient for you to do so.

Sincerely,

*Jacob T. Zukerman*
