June 12, 1946,

Mrs. Eleanor Roosevelt,
Washington, D.C.

My dear Mrs. Roosevelt,

I am enclosing a few newspaper clippings which I hope will be of interest to you.

I was always an ardent admirer of your late and beloved husband, as well as the rest of your family. I will always cherish the memory of one of the greatest presidents of all time, Franklin Delano Roosevelt. May God rest his soul.
My sincere and best wishes to you always.
Respectfully yours,

Michael Cohen.

INTERCOUNTRY MEMORANDUM

TO:  Mrs. Thompson
FROM:  ELIZABETH and MYER COHEN, P.O. Box 644,
        Belgrade, Yugoslavia
SUBJECT:  THE SEASON'S GREETINGS

This Christmas Myer and Elizabeth greet you warmly from Yugoslavia. Arthur and Judy greet you from the George School, Bucks County, Pennsylvania.

Last summer all four Cohens enjoyed exploring the beauties of the northern Adriatic coast and the mountains of Slovenia around Lake Bled. (See enclosed circular for text and picture describing Opatija and Bled).

Myer finds his work as Resident Representative of the United Nations Technical Assistance Board challenging and absorbing. Elizabeth finds the Yugoslav theatre, folk dancing and music exciting. The Serbo-Croatian language however eludes them, -- but they both have learned enough to say -- to all their friends in America -- on January first of 1953.

"СРЕДИ НОВАГОДИША".

Do drop us a line. My warmest greetings to Mrs. Bennett. I hope the new president has enough wisdom to regard this the U.S. delegation.
