Dear Mrs. Roosevelt:

Distomo, New Jersey, was officially dedicated last Sunday and so, our aim to have the name of this unfortunate Greek village destroyed by the Nazis perpetuated in the United States has been fulfilled.

I take this opportunity to express to you my deep appreciation for the great help you so generously contributed to our efforts. I know I speak not only for all the Greek-American communities, but also for those people in Greece who have written to me of their gratitude, when I express our profound appreciation for your support.

Thank you again. It has been a great privilege to be associated with you on this Committee.

Sincerely yours,

Basil J. Vlavianos
