Dear Mrs. Roosevelt:

I received this morning your letter of December 12, forwarding a letter from Mr. John G. Griffin, President of the Brooklyn Diocesan Union of the Holy Name Society. I will write to Mr. Griffin as soon as possible and will, of course, be glad to see him.

The question he raises, however well-founded the accusations may be, are matters, as you know, which touch very closely on our foreign policy and before talking to him, I am going to refer his letter to the Department of State with the view to getting expression of the views of the Secretary of State.

Sincerely yours,

  
Herschel V. Johnson
