December 29, 1946

Dear Mr. Koons:

Elliott is now back and would be very happy if we could get together some day after January 6th, so you could tell us exactly when the parcels of land will be advertised and when you will be able to make the final arrangements, and also when the estate will be prepared to begin paying me directly the income.

Have you notified the tenants in the houses when they will have to move?

Very cordially yours,
