Dear Henry,

A man called Mr. Arthur Lane who was brought to me by one of the people I used to know in Albany some years ago. He has an idea for four records on Franklin's life, which seemed to me really very good.

I told him, however, that I could not approve anything of this kind but I would ask you to allow him to present his idea to people whom I felt would be better judges.

I have written him that it interested me and that I was willing to have him do it, if you give your consent. I do not know if he needs any help financially, but the main thing to decide is if it would be a good thing.

Affectionately,

He has heard of you. I need to hear from you. Call me at 415-1111. Best love, Mary

My dear Mr. Lane:

I was very interested in your idea for records about my husband which you talked to me about and I hope you will be able to work it out successfully and get the approval of the Franklin D. Roosevelt Memorial Foundation.

With my good wishes,

Very sincerely yours,
