Dear Mrs. Roosevelt:
Hope you will find time to
read my Christmas message.
I wrote it while recuperating
from injured leg.

It made me happy to know
Mr. Winston Churchill and
Prime Minister Attlee of England
campaigning for a fund to erect
a monument in honor of ^{our} noble
and honorable, beloved President

COVINGTON, KENTUCKY

Franklin Delano Roosevelt
Hope some day England
will find a way to start
a school of siphonics and
erect a place for invalids
to go for healing, especially
for those who cannot afford
to pay much for medical,
surgical and nursing care.
Services in honor of your husband.

I received a book for
Christmas, entitled
"White House Physician"
by Vice-Admiral Ross T.
McIntire, Surgeon General
of the navy, and I find
it lively, interesting very
inspiring and most help-
ful, especially at present,
the good advice of our
X President Roosevelt - about
what is best to do for
unnatural muscle
condition: the "Don'ts"

I wish every body in the
world could read this book
in order to clarify minds
of false reports and wrong
thinking.

May God's blessings be
upon you and your family
this Yuletide Season.

Sincerely,

Mrs. Ella Booth-McNair
