My dear Mrs. Roosevelt:

Thank you for your two letters. I am looking into both cases and will report as soon as I can.

There is a committee, which I am heading, for the specific purpose of ascertaining the properties of our Jews and displaced persons and a decent method of restitution should be forthcoming fairly soon. The legal aspect of these matters is very complicated, hence all these delays and understandable impatience of those concerned.

Please do not hesitate to let me know about any case that comes to your attention.

With best wishes,

Sincerely yours,

Jan Masaryk
