Dear Mrs Nesbitt
Many thanks
for your letter. I
am afraid there
is nothing we can
do to stop Mr
Pegler.

Yours

Hesbitt

1547 N. Falkland Lane,
Silver Spring, Md.

Sept. 3rd, 1946.

Dear Mrs. Roosevelt:

Was out of the city consequently this delay.
Am so very happy to hear that you have recovered so
rapidly and are yourself again.

In reply to Pegler's column - I can assure
you that President Roosevelt sent over the Hyde Park
meat bills thru Miss Tully, to me, for payment each
month or when they were sent down, and were included
in the current bills which were paid by you each
month.

Had there been any unpaid balances they
would have been shown as balances carried forward
and included in some of these bills.

I thought these bills plenty high for the
numbers being taken care of during those visits at
Hyde Park.

It is hard for me to understand the policies
and attitudes of the newspapers and radio stations
that try to defame President Roosevelt and you, it
makes me boil.

When such pure lies are published there should
be some way for them to be exposed and silenced, and
punished. There are some people who are so ignorant
and evil they believe them.

In case you wish me to make any statement
for you on this I would be only too glad to do so.

*to J. Edgar
Hesbitt*

With my best wishes,

Affectionately,

*Get someone to write back
Pegler for Louis. I will
that point*
