My dear Mrs. Roosevelt:

I thought you might be interested in the attached page of the Philadelphia Record showing pictures and a write-up of Mr. Seon J. Behal, whose very close resemblance to the late President Roosevelt is really remarkable. The resemblance is even more marked and astounding upon seeing Mr. Behal in person.

I have taken 800 feet of a 16MM screen test of Mr. Behal in Roberta.
your opinion as to whether you feel this resemblance is as close and remarkable as so many people think it is.

I would greatly appreciate hearing from you.

Respectfully yours,

Reuter Robinson

Several poses. In case you would be interested in seeing this test at any time when you are in Philadelphia or New York, I would be very happy to either bring a projector and the film with me and screen it for you, or send you the film if you have a 16 MM projector. You have only to drop me a line and let me know.

I would deem it a very great favor if you could manage some free time in which I could arrange a meeting between you and Mr. Behal. Mr. Behal naturally values very highly...
