Dear Henry:

I am thrilled by your letter and I wonder if you would like to drive from Limerick to Hyde Park with us. Elliott, Mary and the children in two cars will be driving back from Campobello and we will reach Limerick very early in the morning on the 3rd and go on to Hyde Park. They leave the morning of the 5th, so I would love to have you there for one day to see them.

I would like to see the farm and all you have done there. Perhaps I could get a glimpse of your mother too.

Affectionately,
Dear Aunt Eleanor,

Things on the Farm are coming along in good shape now, and I was wondering if I could come and visit you in Hyde Park the first part of August.

I thought I would like to travel during the middle of the week, when things wouldn't be so rushed, and I would leave Portland early in the morning, arriving in New York by mid afternoon. I could then take a train to Hyde Park. I don't know just when I would arrive in Hyde Park, but I could call up from the station.
I should think the first part of August would be a good time to look over the Farm, and see what possibilities there are.

I hope this is going to be a good time for you. Would you like me to pass about a good time to come.

Yours affectionately,

Henry
