Dear Mrs. Roosevelt:

I am a Russian emigre who now makes my home
in these great United States of America. I
was a great admirer of the late President Roosevelt.

I feel that he was one of the greatest men
history has given to humanity, and to express
a little of my gratitude for what he did for
the world, I have written a Funeral March in
his memory which I dedicate to you.

With deep sympathy to you and your family, I am

Sincerely yours,
