P. O. BOX 172  
BABYLON, N. Y. August 20th. 1946.

Mrs. Elenor Roosevelt,  
Hyde Park, N. Y.

My Dear Mrs. Elenor Roosevelt.

The three little poems, I have written  
in memorie of Your Great Husband, for You.

If I could I would nominate You for our next President,  
we all like President Truman very much, He is fine and Tops.

But You are so Great and understanding, You have the  
courage of Georg Washington, the great human heart of  
Licoln, the fighting spirit of Theodore Roosevelt, and  
the abiding faith of Your late Husband, You are an  
inspired leader, who rise's above creed, race ore class.  
You could help humanity gain security, and spiritual  
guidance throught Your understanding of people.

I have one great wish in my heart, to meet You  
Personally some day and shake hands with You, because  
to me You are naturs real greatness full of love  
and understanding of human needs, and vos are the things  
this traüblet world needs and looks for from its  
Leaders.

With all my best of wishes to You

Sincerely Yours,

Barbara Rupp.

OUR HOME LAND.....

If we search the globe around,  
Where can - such happiness be found/?  
AS in this our Native Land  
Where plenty is - and Freedom reigns,  
By GOD supported strong we stand..

With comforts — Liberty bestows,  
Where trut and rightious points our way,  
For GOD our Country's ARMS did guid  
And lead our Men the Conquering way.

When foes within ,and foes without  
Dread'ent our peace - destroy,  
The fair land our fathers build,  
The Land we foundly call our own,  
AMERICA.....
