Dear Mr. Winchell:

I have been debating whether to turn the enclosed material over to you or to the local F.B.I. representative, and have decided to send it to you, first, with the hope that you will assure me that you will ultimately follow through and turn the material over to that organization.

Much of what is being sent you herewith may not be new to you, but you may be interested in the way in which it came to me. There apparently is an organization in Detroit called the Christocrats, whose address is given as 3304 Jefferson Station, Detroit 14, Michigan. I received some literature from them through the mail, recently. There was nothing particularly anti-Jewish about it, but there were two very obnoxious poems, which were nothing less than slander of our President. I wrote them in accordance with the attached letter and received the postcard reply which is also enclosed. A few days later came the material in the envelope. I know that it must have come from the same organization as I had written them on my letterhead showing my relatively new address; whereas the original material had been sent to an old address here in Port Huron. The Cherry Street address is so new that they could not possibly have had it from any source other than my letter.

I am sorry that I do not have the original Christocrat literature, but I am sure you could get somebody to write for it.

It is very interesting to me to note that the franked envelope, to which has been affixed two 1 $\frac{1}{2}$ stamps, is an envelope originally used by Gerald P. Nye. This organization, whatever it is, at least had the astuteness not to use the franking privilege as once many of them did.

I have not taken the trouble to read very much of the matter I am sending you, as it is hardly worth the time. I would, however, particularly like to call your attention to the cartoon. The Jewish faces portrayed are very similar to those that used to be seen in Nazi cartoons before the war, and no doubt have the same source.

The whole thing is sickening to me, who is not a Jew, and anything that you can do to stamp out this growing anti-Semitism will be applauded by all right thinking Americans.

If you have no use for the material sent you herewith and if most of it is already in your files, would you be good enough to return it to me at your leisure?

I would appreciate your keeping my name out of the picture, except if you feel obliged to when giving the material to the F.B.I.

Very truly yours,

John C. Sprague

BELIEVE IT OR NOT!
THIS IS A JEWISH EMERGENCY! NOT AMERICAN EMERGENCY!
JEWISH CONNIVING ROOM, Washington, D.C.

THE CONSPIRATORS

AMERICANS SHOULD KNOW THE FACTS! Roosevelt proclaimed UNLIMITED NATIONAL EMERGENCY, not to SAVE the BRITISH EMPIRE nor AMERICA, but to save WORLD JEWRY!!

This emergency will be here as long as we permit JEWS to remain in America. All real AMERICANS UNITE AGAINST this JEWISH CONSPIRACY.

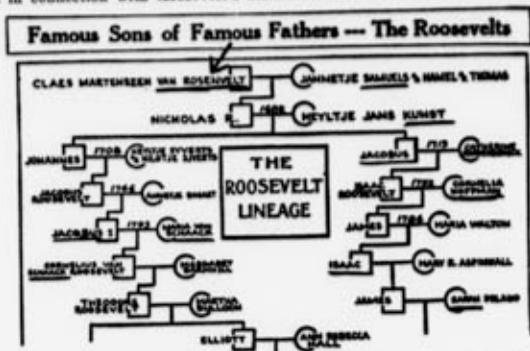

Jews Are The Cause of High Taxes - Slavery - Starvation and Death---

How long will the American people continue to tolerate this hysteric, desperate JEWISH PLOT, with their phony EMERGENCIES?

BREAK THE JEW CONTROL BEFORE OUR COUNTRY IS TOTALLY DESTROYED.

ROOSEVELT'S JEWISH ANCESTRY

The chart shown below has come as a shocking revelation to millions of American citizens. It explains things in connection with Roosevelt's Administration which can not otherwise be understood.

Even a hasty perusal of this factual document convinces one as to the President's Jewish ancestry. From the viewpoint of eugenics, it explains his natural bent toward radicalism.

It shows why he has given hundreds of so-called Liberals, Socialists and Communists powerful positions in the national government. It reveals the origin of the sinister spirit which today animates the White House. It proves unmistakably, that the Roosevelt Administration offers a biological, as well as a political problem.

The New York Times of March 14, 1935, quotes the President as saying: "In the distant past my ancestors may have been Jews. All I know about the origin of the Roosevelt family is that they are apparently descended from Claes Martenszen van Roosevelt, who came from Holland."

Additional information regarding the nationality of the Roosevelt family, was given by Chase S. Osborn, early in 1934, at St. Petersburg, Florida. Mr. Osborn was formerly Governor of Michigan. The leading newspaper of the city (The Times) carried the following report after the interview:

"Although a Republican, the former Governor has a sincere regard for President Roosevelt and his policies. He referred to the 'Jewish ancestry' of the President, explaining how he is a descendant of the Rosocampo family expelled from Spain in 1620. Seeking safety in Germany, Holland and other countries, members of the family, he said, changed their name to Rosenberg, Rosenbann, Rosenblum, Rosenvelt and Rosenthal.

"The Rosenvelts in north Holland finally became Roosevelt, soon becoming apostates with the first generation and others following suit until, in the fourth generation, a little storekeeper by the name of Jacobus Roosevelt was the only one who remained true to HIS JEWISH FAITH. It is because of this Jewish ancestry, former Governor Osborn said, that President Roosevelt has the trend of economic safety (?) in his veins."

CONFIRMATION FROM OTHER SOURCES

In the 1938 "World Almanac" under the heading "Biographies of U. S. Presidents and Their Wives," page 237, appears this: "Franklin Delano Roosevelt was the son of James Roosevelt, a direct descendant of Claes Martenszen van ROSENVELT, who arrived in New Amsterdam in 1649 and married Jannetje SAMUELS."

The following is from "The House of Roosevelt" by Paul HABER, 1936 edition "Claes Rosenvelt entered the cloth business in New York, and was married in 1682. He accumulated a fortune. He then changed his name to Nicholas Rosenvelt. Of his four sons, Isaac died young. Nicholas married Sarah Solomons. Jacobus married Catherina Hardenburg. The Roosevelts were not a fighting but a peace-loving people, devoted to trade. Isaac became a capitalist. He founded the Bank of New York in 1790."

The American Freedom Magazine of Los Angeles, Calif., April, 1938, issue, reproduced the quotation below:

"In an address to the National Convention of the D. A. R., President F. D. Roosevelt said that he too was of revolutionary ancestry. **BUT NOT A ROOSEVELT WAS IN THE AMERICAN ARMY.** They were Tories, busy entertaining British officers. The first Roosevelt came to America in 1649. His name was Claes Rosenfelt. He was a JEW. Nicholas the son of Claes, was the ancestor of both Franklin and Theodore. He married a JEWISH GIRL named Kunst in 1682. Nicholas had a son named Jacobus Rosenfelt. In the family tree there are 351 persons bearing biblical names of the Tribe of Israel --From The Corvallis Gazette-Times, of Corvallis, Oregon."

Roosevelt inevitably draws upon his Semitic ancestry. It is, therefore, as natural for him to be a radical, as it is for others to be true Americans. This is why he can boast of floating conventionalities, and publicly gloat over destroying those traditions which are fundamental to our national character. **HE IS NOT ONE OF US!** This may also explain why he attaches so little importance to his word of honor, and has no hesitation in breaking his promises.
