

R. Walton Moore Papers

Box 6

Dodd, Wm E (1939-40)

December 16, 1939.

Dear Dr. Dodd:

I have your letter of yesterday, enclosing a letter from Mr. Oppenheimer, relative to his sister, Mrs. Bonnem, whose application for visa is before the American Consulate Berlin, and have requested the Visa Division of this Department to do whatever may be possible in the way of securing information concerning Mrs. Bonnem's application. As you know, there is no way in which she may be given preference over those whose applications were filed ahead of hers.

I am so sorry to know you are still feeling so badly, and hope that your forthcoming visit to Dr. Pollack in New York will be of great benefit to you.

With all best wishes, I am

Yours very sincerely,

The Honorable
William E. Dodd,
Stoneleigh Farm,
Round Hill, Virginia.
