Official Miscellaneous

Mr. Wiley:

Would you approve our mimeographing a form letter like the attached one? It would be mimeo'd on official letterhead stationery and used to answer letters from private persons in the United States (not to Senators, Congressmen and prominent persons). I think this would save considerable work and time.

April 26, 1938.

I had intended to send the attached to you, but hesitated because I wasn't sure you'd approve using a mimeo'd letter. I think we can prepare so it will look like an original letter.

Mr. Dut Ro.

Would it not
be possible to
have printed form
letters for the

"I have the pleasure

Please be assured

letter, with a
blank for the
name?
