Roosevelt, Franklin Sept-Dec, 1939

September 7, 1939

My dear Mr. President:

On August 29 you sent me a memorandum enclosing a letter dated August 23 addressed to Mrs. Roosevelt by Jay Allen. In your memorandum you asked me to let you know personally what you could say with regard to the questions raised in Mr. Allen's letter.

I have had prepared a very full memorandum relating to the present situation of the Spanish refugees in France. I think this memorandum gives all of the information that Mrs. Roosevelt may desire, and you may care to give her this memorandum for her information.

Believe me

Faithfully yours,

Encs.
