PETITION

to Franklin Delano Roosevelt,
President of the United States of America

Whereas the Nazis, faced with certain defeat, have quickened their campaign of torture, reprisal and death against the Jewish people, particularly in the hitherto comparatively safe territories of Hungary and the Balkan countries; and

Whereas the President has made it the official policy of the United States, "to take all measures within its power to rescue the victims of enemy oppression who are in imminent danger of death"; and

Whereas the President has recently established the War Refugee Board consisting of the Secretary of State, the Secretary of Treasury, and the Secretary of War stressing "that it is urgent that action be taken at once to forestall the plan of the Nazis to exterminate all the Jews and other persecuted minorities in Europe"; and

Whereas the great and pressing need of the War Refugee Board today is to procure havens of refuge of those oppressed who can escape the Nazi Reign of Terror;

Now therefore, we the undersigned Americans do hereby petition the President:

1. To establish, without delay, temporary Rescue Camps within the United States, as a compelling example to all mankind; to open these "free ports" of hope and encouragement to those Jewish people who can flee Nazi murder squads, and to give them sanctuary therein until the coming peace shall decide their destinies.

2. To entreat all other friendly and allied powers to take like action.

3. To convey to the British Government, entrusted with the Mandate over Palestine, that all liberty-loving Americans desire the gates of Palestine be opened and kept open for the unrestricted admission of all Hebrews rescued from the German charnel-houses in Europe; and that we as Americans consider it unrighteous to deny to Jewish People alone, of all peoples, free entry into Palestine in this period of their deepest distress and disaster.

THEREFORE WE SOLEMNLY APPEAL TO THE PRESIDENT as the elected guardian of the humanitarian traditions of our land to take speedy and effective action in connection with the subject of our petition.

2. To entreat all other friendly and allied powers to take like action.

3. To convey to the British Government, entrusted with the Mandate over Palestine, that all liberty-loving Americans desire the gates of Palestine be opened and kept open for the unrestricted admission of all Hebrews rescued from the German charnel-houses in Europe; and that we as Americans consider it unrighteous to deny to Jewish People alone, of all peoples, free entry into Palestine in this period of their deepest distress and disaster.

Therefore we solemnly appeal to the President as the elected guardian of the humanitarian traditions of our land to take speedy and effective action in connection with the subject of our petition.

EMERGENCY COMMITTEE TO SAVE THE JEWISH PEOPLE OF EUROPE, 25 West Forty-fifth Street, New York 19, N. Y.
PETITION

to Franklin Delano Roosevelt,
President of the United States of America

Whereas the Nazis, faced with certain defeat, have quickened their campaign of torture, reprisal and death against the Jewish people, particularly in the hitherto comparatively safe territories of Hungary and the Balkan countries; and

Whereas the President has made it the official policy of the United States, "to take all measures within its power to rescue the victims of enemy oppression who are in imminent danger of death"; and

Whereas the President has recently established the War Refugee Board consisting of the Secretary of State, the Secretary of Treasury, and the Secretary of War stressing "that it is urgent that action be taken at once to forestall the plan of the Nazis to exterminate all the Jews and other persecuted minorities in Europe"; and

Whereas the great and pressing need of the War Refugee Board today is to procure havens of refuge of those oppressed who can escape the Nazi Reign of Terror;

Now therefore, we the undersigned Americans do hereby petition the President:

1. To establish, without delay, temporary Rescue Camps within the United States, as a compelling example to all mankind; to open these "free ports" of hope and encouragement to those Jewish people who can flee Nazi murder squads, and to give them sanctuary therein until the coming peace shall decide their destinies.

2. To entreat all other friendly and allied powers to take like action.

3. To convey to the British Government, entrusted with the Mandate over Palestine, that all liberty-loving Americans desire the gates of Palestine be opened and kept open for the unrestricted admission of all Hebrews rescued from the German charnel-houses in Europe; and that we as Americans consider it unrighteous to deny to Jewish People alone, of all peoples, free entry into Palestine in this period of their deepest distress and disaster.

THEREFORE WE SOLEMNLY APPEAL TO THE PRESIDENT as the elected guardian of the humanitarian traditions of our land to take speedy and effective action in connection with the subject of our petition.

to Franklin Delano Roosevelt,
President of the United States of America

Whereas the Nazis, faced with certain defeat, have quickened their campaign of torture and death against the Jewish people, particularly in the hitherto comparatively safe territories of Hungary and the Balkan countries; and

Whereas the President has made it the official policy of the United States, "to take all measures within its power to rescue the victims of enemy oppression who are in imminent danger of death"; and

Whereas the President has recently established the War Refugee Board consisting of the Secretary of State, the Secretary of Treasury, and the Secretary of War stressing "that it is urgent that action be taken at once to forestall the plan of the Nazis to exterminate all the Jews and other persecuted minorities in Europe"; and

Whereas the great and pressing need of the War Refugee Board today is to procure havens of refuge of those oppressed who can escape the Nazi Reign of Terror;

Now therefore, we the undersigned Americans do hereby petition the President:

1. To establish, without delay, temporary Rescue Camps within the United States, as a compelling example to all mankind; to open these "free ports" of hope and encouragement to those Jewish people who can flee Nazi murder squads, and to give them sanctuary therein until the coming peace shall decide their destinies.

2. To entreat all other friendly and allied powers to take like action.

3. To convey to the British Government, entrusted with the Mandate over Palestine, that all liberty-loving Americans desire the gates of Palestine be opened and kept open for the unrestricted admission of all Hebrews rescued from the German death-houses in Europe; and that we as Americans consider it unrighteous to deny to Jewish People alone, of all peoples, free entry into Palestine in this period of their deepest distress and disaster.

THEREFORE WE SOLEMNLY APPEAL TO THE PRESIDENT as the elected guardian of the humanitarian traditions of our land to take speedy and effective action in connection with the subject of our petition.

PETITION

To Franklin Delano Roosevelt,

President

Whereas the Nazis, faced with the prospect of defeat, are marked for extermination, and death against the Jewish people and the Balkan countries; and

Whereas the President has called on the world to assist in its rescue and the world has not responded; and

Whereas the President has appealed to the United Nations, and the United Nations have not responded; and

Whereas the President has asked the Secretary of State, the Secretary of Treasury, and the Secretary of War to take all steps in their power to rescue the Jewish people, and they have not responded; and

Whereas the great and pressing need of those oppressed who can escape is the nearest approach to those Jews who need assistance; and

Now therefore, we the undersigned

1. To establish, without delay, the United Jewish Appeal as a center of all American aid to rescue and rehabilitate the Jewish people who can escape Nazi murder squads, and to give them sanctuary therein until the coming peace shall decide their destinies.

2. To entreat all other friendly and allied powers to take like action.

3. President of the United States of America

Whereas the Nazi's, faced with certain defeat, have quickened their campaign of terror and death against the Jewish people, particularly in the hitherto comparatively safe territories of Hungary and the Balkan countries; and

Whereas the President has made it the official policy of the United States, "to take all measures within its power to rescue the victims of enemy oppression who are in imminent danger of death"; and

Whereas the President has recently established the War Refugee Board consisting of the Secretary of State, the Secretary of Treasury, and the Secretary of War stressing "that it is urgent that action be taken at once to forestall the plan of the Nazis to exterminate all the Jews and other persecuted minorities in Europe"; and

Whereas the great and pressing need of the War Refugee Board today is to procure havens of refuge of those oppressed who can escape the Nazi Reign of Terror;

Now therefore, we the undersigned Americans do hereby petition the President:

1. To establish, without delay, temporary Rescue Camps within the United States, as a compelling example to all mankind; to open these "free ports" of hope and encouragement to those Jewish people who can flee Nazi murder squads, and to give them sanctuary therein until the coming peace shall decide their destinies.

2. To entreat all other friendly and allied powers to take like action.

3. To convey to the British Government, entrusted with the Mandate over Palestine, that all liberty-loving Americans desire the gates of Palestine be opened and kept open for the unrestricted admission of all Hebrews rescued from the German charnel-houses in Europe; and that we as Americans consider it unrighteous to deny to Jewish People alone, of all peoples, free entry into Palestine in this period of their deepest distress and disaster.

THEREFORE WE SOLEMNLY APPEAL TO THE PRESIDENT as the elected guardian of the humanitarian traditions of our land to take speedy and effective action in connection with the subject of our petition.
