HM To - Gov. Harrison:

Chase Nat'l & Nat'l City are lending money to Gov't of
Mexico; each loans $2,000,000 against gold in Mexico

HM To dislikes this for 2 reasons: guaranteeing it
interferes with silver program; does not believe any
national bank should engage in gold, specifically or
otherwise in any foreign country. Harrison will ask
these 2 banks to explain exactly what they are doing.
