Ann. Embassy (Moscow) reports on production of Soviet gold: has been diminishing rather than increasing during last 6 to 10 months due to executions, arrests, and removals of competent engineers and specialists within the industry 6/22/37.
Memorandum on difficulties in Soviet gold industry prepared by August Chopp (Amn. engineer who has worked in Soviet gold mining industry for several years) forwarded by \textit{Amb. Amb. Davies 7/3/37}

\begin{itemize}
  \item[a)] Definite indications that 1937 Russian gold production has fallen off and will continued to fall; reason is arrest of technically competent men on charges of sabotage and their replacement by new and inexperienced engineers.
  \item[b)] Davies also reports on extended conference with Litvinoff in London; Litvinoff told Davies confidentially that current estimates of gold production are exaggerated.
\end{itemize}
Davies also reports on article on gold industry appearing in official Government press which indicates considerable slowing down in gold production for past 6 mos. 7/7/37
