MEMORANDUM FOR

THE SECRETARY OF STATE

SUBJECT: Air Agreement with Southern Ireland.

By direction of the President, the attached copy of message #904 from the Prime Minister to the President is forwarded for preparation of reply.

HENRY W. PUTNAM,
Major, A.C.

1 Incl.
PM-PRES #904,
6 March 45.
FROM: PRIME MINISTER CHURCHILL
TO: THE PRESIDENT
NO: 904

I sent you my telegram 897 on January 27 about the aviation agreement with the Government of Southern Ireland. You could not at the time reply because of wireless silence. At Yalta, and also later at Alexandria, I understood from you that you did not approve this step and that it had been taken without your agreement. Mr. Stettinius also made this clear so far as he was concerned. At the same time as we sent out 897 to you Lord Halifax was instructed to let the State Department have a copy of the telegram at once so that they should hold their hand until you had had an opportunity to comment on it.

The State Department, on January 31, confirmed that negotiations had been in progress but said that they had not reached readiness for signature. On February 3 however, without further warning, Lord Halifax was informed that the agreement had been signed and shortly afterwards it was published.

Our special concern with Eire is obvious on political and geographical grounds, and it is indeed much closer than that of the United States with the Argentine. We and the United States have, moreover, throughout kept in close touch in our general policy towards Eire, e.g., over the recent United States approach to De Valera for the removal of the Axis representatives. For this reason the political effect of the United States action in concluding an agreement with Southern Ireland on an important issue without consulting us seemed to us bound to injure our relations with De Valera politically, and
may be embarrassing to the United States also, as it can only encourage him
to try to play off one against the other. It has, in fact, been hailed in
Southern Ireland as a diplomatic success for them.

I trust therefore that you will be able to take the necessary steps
to have the agreement annulled. So far no response has been made to our
telegrams or representations whether addressed personally to you or handed
formally to the State Department.
FROM: MAJOR GREER
TO: COLONEL PARK

Date of our return has been definitely set up for tomorrow night. Will advise if any later changes.
