MEMORANDUM FOR:

Commander Tyree.

The State Department has requested and Admiral Brown has approved of them having additional copies of the attached declaration, for furnishing copies to the Governments of Great Britain, U.S.S.R., and Persia.

Admiral Brown suggests that we have the Navy photostat this and that we then give the State Department the photostat negative so that they can strike off as many copies as they desire. He does not want to turn the original signed copy of the agreement over to the State Department.

Respectfully,

W. M. Rigdon.

Subject: Teheran Declaration on Iran.

Reference: (a) Ambassador Harriman's "Memorandum For File", dated November 13, 1944.  
(b) Naval Aide's Memorandum to the Secretary of State, dated September 7, 1944.

1. The original signed copy of the "Declaration of the Three Powers Regarding Iran", dated December 1, 1943, is now on file in the White House Map Room. A photostat copy of the document will be forwarded to the Secretary of State as soon as one can be made.

2. The Naval Aide's memorandum of September 7, 1944, was made as the result of a search of the White House files for the three press communiques announcing the accomplishments of the conferences. These communiques were dated November 26, 1943, December 1, 1943, and December 6, 1943. Having the foregoing communiques in mind, the declaration affecting Iran was overlooked. It is regretted that this inadvertance has caused unnecessary search in other offices.

3. As stated in reference (b), the originals of the three press communiques referred to are not in the files of this office.

~~SUGGESTED DRAFT~~ DECLARATION *of the Three*  
*Powers regarding Iran*

The President of the United States, the Premier of the U.S.S.R., and the Prime Minister of the United Kingdom, having consulted with each other and with the Prime Minister of Iran, desire to declare the mutual agreement of their three Governments regarding their relations with Iran.

The Governments of the United States, the U.S.S.R., and the United Kingdom recognize the assistance which Iran has given in the prosecution of the war against the common enemy, particularly by facilitating the transportation of supplies from overseas to the Soviet Union.

The Three Governments realize that the war has caused special economic difficulties for Iran, and they are agreed that they will continue to make available to the Government of Iran such economic assistance as may be possible, having regard to the heavy demands made upon them by their world-wide military operations and to the world-wide shortage of transport, raw materials, and supplies for civilian consumption.

With respect to the post-war period, the Governments of the United States, the U.S.S.R., and the United Kingdom are in accord with the Government of Iran that any economic problems confronting Iran at the close of hostilities should receive full consideration, along with those of other members of the United Nations, by [ ] conferences or international agencies held or created to deal with international economic matters.

The Governments of the United States, the U.S.S.R., and the United Kingdom are ~~at~~ one with the Government of Iran in their desire for the maintenance of the independence, sovereignty and territorial integrity of Iran. They count upon the participation of Iran, together with all other peace-loving nations, in the establishment of international peace, security and prosperity after the war, in accordance with the principles of the Atlantic Charter, to which all four Governments have subscribed.
