June 8, 1944.

Dear General Watson:

When I was with the President this morning, I got one copy of the enclosed memorandum initialed by the President but overlooked the fact that two copies were initialed by Mr. Churchill and, therefore, copies need the President's initials. I am, therefore, sending you one copy by hand with the request that the President initial it in order that the records of both Great Britain and this country may be complete. If you will send it back to me when it is completed, I will greatly appreciate it.

Sincerely yours,

*Henry L. Stimson*

Secretary of War.

Major General Edwin M. Watson,  
Military Aide to the President,  
The White House.

*Initialed

Handed to
