Dear Mr. President;

I would like to
express my deepest appreciation for
your help and interest in regard to my
getting into the Navy. I secured my
commission as Ensign in the Reserve
and am at present stationed at the
Naval Operating Base in Newport, R.I.
At your suggestion I stayed in
Charlottesville long enough to get my

law degree and then got through
the New York Bar Exams. I was so
glad to see Franklin there and
learn that he had also passed the exams
in spite of his having been sick.

Again many thanks for all
your kindness, I am,

Very sincerely yours,

Guy Rutherford
