MEMORANDUM FOR

THE VICE PRESIDENT:

If you have any urgent messages which you wish to get to me, I suggest you send them through the White House Map Room. However, only absolutely urgent messages should be sent via the Map Room. May I ask that you make them as brief as possible in order not to tie up communications. If you have very lengthy messages the Map Room officer will have to exercise his discretion as to whether it is physically possible to send them by radio or whether they will have to be sent by pouch.

UNITED STATES SENATE
WASHINGTON

April 5 45

Dear Mr. President:-

Hope you are having
a good rest. Hate to
bother you but I have
a suggestion to make.

Why don't you make
Frank Walker Federal Loan
Administrator and make
Bob Hannegan Postmaster
General?

Seems to me this would

make everybody happy and
solve the situation.

Hannegan did the P.M.'s
job in the campaign as
well as it was ever done
and he is entitled to the
recognition.

Walker is as able a business
man and administrator
as the country has. Both
are 100% for you.

Hope you'll like my suggestion
Sincerely Harry.
