If the spirit moves you can write to me U.S.S. HOUSTON, San Diego, California, by air mail, provided you post it by Monday morning, September 29th. Also you can write me c/o Governor of the Canal Zone, Balboa, Canal Zone, by regular mail up to October 7th, and by air mail, same address, up to Friday evening, October 11th. This last letter requires 20¢ air mail stamps. You can take a chance and write me air mail up to Monday evening, October 14th, to U.S.S. HOUSTON, Cristobal, Canal Zone. This may not reach me if the plane is late, as there is only a three hour connection before I leave.
