Dear Grace:

Margaret, who will be eighteen on January 19, is going to have a "debut party" at the Carlton Hotel on New Year's Eve. I have put it on that date because it's Peggy's date - she always used to have a party on New Year's Eve. This is a professional debut party run by Mrs. Kurt Hetzel - part of the back-scratching pool of parties by which "debutante managers" organize the whole Christmas season. It will be bigger than I like and I will have to go to Household Finance to fund it over the next ten years.

But it will be Margaret's party and in that sense Peggy's party and if you could drop in for a few minutes I think you might be interested in seeing how much like Peggy Margaret is becoming.

Yours,
