My dear Mrs. Larrabee:

I am delighted with the President’s photograph. I think it is an extraordinary likeness. I thank you sincerely for remembering me.

Faithfully yours,

Dear Grace,

Here is the De Luxe Edition of the Inaugural Programme I spoke at.

When and if the President has a moment will you please ask him to inscribe it to me on either the inside cover or the next page. All the little Cummins moves (436 to arrive) will point and...
pay "Ook at what
President Roosevelt
wrote in great-great-
great-grandma's
book."

Sorry you cannot
be with us tomorrow
night.

Affectionately,

C.C.

Happy Birthday
to El Presidente.

Dear Grace,

Cecilia wished you to have this little box of Toledo steel and gold which she brought back from Spain long ago, and I trust it may serve to remind you of the affection she always had for you.

Sincerely,

Miss Grace Tully,
The White House,
Washington, D. C.
