Dear Miss Tully:

I am enclosing a line to Whitehead. William is going up on Thursday morning as is Mr. Howe. His daughter, Mrs. Baker with her small boy, will arrive from Illinois that day, some time in the early afternoon. Mr. Howe will meet her and he will tell William the time of her arrival. She is going to stay until Sunday mid-night any way and if I can persuade her, during the next two weeks. She will not have a nurse with her so I am enclosing a note for Mary.

Sisty appreciated your message and I hope you will stop in to see her when next you are in New York.

Very sincerely yours,

Dear Tully,

I was nice to get your letter if you are glad you all are enjoying your vacation at Cape Pablo and Uncle after his recent ordeal. He had a good time at first at Abraham.

I have sent you the check.

I haven't got, as M. H. Connolly do not return receipted bills, and, in fact, do not keep any record in books of purchases made. This item is however only $6.00.

I haven't mailed the checks yet because it occurred to me that perhaps you were counting on the Byrd check. If there is sufficient money in the bank to cover the monthly bills, will you please let me know?

I didn't write the letter to the National Better Business Bureau because Mrs. Dougherty called yesterday and said they were going to send you a suggested reply. When this arrives I shall send it to you for approval.

September 12, 1930.

Dear Mrs. Roosevelt:

I called Mr. Mahoney about the Byrd check today and he tells me that it is being held up because the Controller's office wishes more vouchers. I have sent him one of the vouchers but the other I haven't got, as H. H. Connolly do not return receipted bills, and, in fact, do not keep any record in books of purchases made. This item is, however, only $6.00.

Dear Tully:

I was so glad that you were looking so much better and had gained some weight. Missy said that it was delightful, but the drive was pretty long.

I am planning to motor up on Wednesday and bring a picnic lunch—a picnic lunch for you as well as ourselves; and I think Nancy Coom will be with me.

I shall not stay for supper but shall get to you as early as I can.

Much love,

Dear Tully:

I got the letters which you sent me from Albany, but I just wondered if there were any others in anyone's book that had not been done. I am missing several that I dictated to someone, somewhere, in the Christmas rush.

I really didn't have a bad flight to Chicago, and only very little fog. We came down to get news about the weather, but we were not forced down.

I think your schedule sounds extremely dull, but extremely healthy, and I am glad you are in a comfortable place and getting a really good rest. Possibly the six weeks will do it, but under no circumstances are you to worry and come back ahead of time! Be sure to see the doctor when you come down for the Inauguration and do just what he says. I have counted on your mother and sister coming to the Inauguration. Is that right?
