Dear Grace —

Hello! I wish you had been on my trip! Kick up the good work I come back with +30 lbs. I did +7 lbs in 2 1/2 weeks.

Nose it makes the social as permanent green and can put a show! a bit —

Don't hurry things till you really feel all right.

Aff.
Dear Grace,

I do hope the NOSE can still smell but that it want run — I hope the scientific nurse in the lift was permanently disabled, lots of good can come from running into a steel girder — just as long as your tears don't show!

We miss you a lot, but don't worry things will soon really feel all right.

Love,
