SUCKLEY, Miss Margaret,
Franklin D. Roosevelt Library,
Hyde Park, N.Y.
Aug. 27, 1942 (ack. 8-31-42)

Wrote to Miss Tully, saying that a while ago she asked about a painting of the President, which they could not find. They have discovered one which they think came up from the New York House and the signature is "Adrian M. de Groot, 1935". Asks if there is any correspondence on this. - Also another letter attached from Miss Suckley, undated, saying that Mr. John Hall Wheelock of Scribner's magazine is going to write to the President, and asked Miss Suckley to mention it to Miss Tully.

Miss Tully personally acknowledged above letters to Miss Suckley 10-31-42.
