Dear Rabbi Korff,

I take pleasure in confirming our conversation of this morning about the various practical means and ways of helping European refugees, in which work your organization is actively interested.

This Committee being interested in similar problems I shall be very happy to learn of any ways that may open and enable our Committee to better perform the work in which it has been engaged in the past two years.

Thanking you for any information you will be kind enough to give us,

I am, dear Rabbi Korff,

Yours very sincerely,

Hon. John W. Penle,
 Executive Director,
 War Refugee Board,
 Washington, D. C.

Dear Mr. Penle:

At the recent Board of Directors meeting of the American Committee for Hungarian War Refugees, Inc. it was unanimously decided to tender you and the War Refugee Board the services of our Committee in every way we can.

This is a non-sectarian and non-political organization, which has been in existence for about three years and has been instrumental in helping a large number of refugees.

The thoroughly representative nature of this Committee is reflected in its Board of Directors and Executive Committee.

We all realize that this is the time where every effort should be made to help as many people as it is humanly possible from the horrors of the Nazi regime in southeastern Europe.

In case you wish to confer with us, we shall be very glad to have one of our delegates call upon you.

In the name of the Committee,

Very sincerely yours,

Emil Lengyel
