War Refugee Board,

Dear Mr. Fehle:

The newly elected Executive Board
of our Association devoted its first meeting
to the problem stated in your letter of February
8, 1944.

Taking into consideration the
profound importance of the problems which have
to be solved by the War Refugee Board, our orga-
nization has created a special committee which
will prepare a statement concerning our program
and views to aid in effectuating the action of
the War Refugee Board.

May we also bring to your attention
that in our midst we have members experienced and
specialized in the field of refugee problems and
matters pertaining to them.
