Dear Mr. Blake:

I have your letter of May 29, 1944, requesting information as to how you may obtain a small family from Europe for employment on your farm.

It is regretted that the Board is not in a position to be of assistance to you in this matter.

I suggest that you may wish to refer your request to a private organization. It is possible that one of the organizations named in the enclosed list may be in a position to help you or to give you information as to the procedure to follow in this matter.

Very truly yours,
