Dear Mrs. Cline:

Mr. Eugene Brademan of the Foreign Economic Administration has referred to me your letter of June 14, 1944, concerning your desire to obtain a refugee woman to live with you for the duration of the war.

Your offer to provide a home for one of these unfortunate people is genuine evidence of the personal responsibility you feel for sharing the freedoms which we Americans enjoy. I suggest that you submit your request to Mr. Joseph H. Beck, National Refugee Service, 139 Centre Street, New York City, who may be able to be of assistance to you or to give you information as to the procedure to follow in this matter.

Very truly yours,

(Signed) J. W. Pehle

 Kind Sirs
 The Red Cross has directed
 me to you for information.
 How could I get a refugee
 woman to live with me as one
 of our family for the duration
 or longer, or could I live
 in South Western Kansas
 13 miles S.W. of Liberal on the
 Kan. Okla line. we are farmers
 but poor health and scarcity
 of help, compels us to leave the
 farm this fall. we have it rented

for the coming year, we intend
to move to town. There are the two
of us my husband is 63 and I am
48 years of age. I have heart
trouble and can't be left alone.
I do my own house work which
the Dr. say I shouldn't. I thought
if I could get some good woman
and treat her as one of my
family and keep her during
the duration or longer if it was
Satisfactory to her and us too.
I want a good Moral woman
one who is able physically to help
with what house work I have or take
it over entirely if I can't help. I'll
give you references of two people there
in Washington so you can check
up on us.

We can give you local references
if you wish them. Post Master,
R.R. Operator, Bank Pres, School Supt,
or Pastor of Church. we receive our Mail
at Tyrone Okla. on R.R. 2.
one of our former Pastors told us
it would help someone else and
ourselves too to take someone like
that. if this works out all right
I think that several refugees
could be placed in nice homes in
Tlame.

please let us hear from you
and what you think concerning
this matter and if it can be done
what to do. and how to go about
it.

Sincerely,

Mrs Olin Cline
