Dear Mr. Crawford:

I have your recent communication requesting information concerning the war refugees in this country.

The only refugees admitted temporarily to the United States outside of the regular immigration procedure are the 984 recently brought to the Emergency Refugee Shelter at Fort Ontario, Oswego, New York.

As the War Relocation Authority is charged with the administration of the Shelter, I am referring your request for information to Mr. Dillon Myer, Director of that agency.

Very truly yours,

(Signed) J. W. Pehle
