We noticed an item that the War Refugee Board expects completion of its work by August 30. If there should be some final report in preparation, we should very much appreciate having it on its release.

Dr. Albert Abrahamson
War Refugee Board
Treasury Department
Washington, D. C.

Dear Dr. Abrahamson:

The circumstances, under which we met last Thursday, in the corridors of the Treasury Department, were not very favorable. My train pulled in twenty minutes behind schedule and I was ten minutes late for my appointment with Mr. Ira A. Hirschman, which was the purpose of my visit to Washington.

Meeting you was a very pleasant surprise and, indeed, I felt afterwards a sense of frustration for not having been able to have a chat with you.

I trust you will not deny me the privilege and the pleasure of calling on you next time I am in Washington, as I am really very eager to discuss with you several problems, though they may not result in "copy" for my paper.

With kindest regards,

Very sincerely yours,

S. Dingol
