Dear Mrs. Goodstein:

Mr. David White and Mr. Emanuel Borenstein of our staff have advised me of your interest in working with refugees and of your excellent background and experience.

As you may know, the Emergency Refugee Shelter, which has been established for the care of the 1,000 refugees who are to come to the United States, is to be operated by the War Relocation Authority at Fort Ontario, Oswego, New York. If you would like to work at Fort Ontario, I suggest that you communicate with the War Relocation Authority at the Barr Building, Washington, D. C. If you are interested in participating in the refugee camp program overseas which is operated by UNRRA, you might get in touch with Miss Carolin Flexner, Acting Director, UNRRA Camps Division, DuPont Circle Building, Washington, D. C.

Mr. White and Mr. Borenstein said so many nice things about you that I hope I have the opportunity of meeting you some time soon.

Sincerely yours,

AN Anne Laughlin
