Dear Miss Helfant:

Receipt is acknowledged of your letter of May 25, 1945, in which you requested information about the work and requirements of personnel for overseas assignment.

Because the War Refugee Board is liquidating in the very near future, we are not taking on any additional personnel nor sending anyone overseas.

I suggest that you refer your request to the United Nations Relief and Rehabilitation Administration, the State Department, and the Treasury Department, as they may have openings of the nature you desire and will furnish you with the information you seek.

Very truly yours,

David White
