

Ingham, George Albert

JUL 8 1944

Dear George:

Thank you very much for your card of June 27,
1944.

I am happy to add my signature to your collection
of autographs. I regret that I have no photograph of myself
to send you at this time.

The Boy Scouts of America have earned for them-
selves a special place in American life and in the hearts
of Americans, and I feel that the organization is contrib-
uting a most valuable service to the youth of this country.

Sincerely yours,

J. W. Fehle
