The number of this message is 0064. From your first message of the 4th of August, number unnumbered, we understand that the
space agreement is being followed by you. As we stated in our
message 0063, this is in accord with our ideas. May 1 express the
importance of your prefixing to the proposal the preamble in the
space agreement adapting it to conditions locally.

Insertions or changes in margin numbered paragraphs of the
space agreement should be made in the proposal as follows:

Paragraph 4. As per our message number 0064, use your own
judgment as to the reducing the area.

Paragraph 16. 250,000 and 600,000. This answers the question
your message.

Paragraph 17. 50 percent and 75 percent.

Paragraph 18. 15-1/2 percent and 15 percent.

Paragraph 20. 100,000 barrels.

Paragraph 22. At the end of the first sentence add: 'and shall
be made in American dollars except in such cases where the
company may be compelled to accept payment for its products in
currency other than American in which case the company shall
pay.'
Amendment 17th article.

Paragraph 41.

Provide a payment of 20 percent net profit available to the common stock of the operating company.
