The number of this message is 0064. From your first message
of the 4th of August, number 0616, we understand that the
space agreement is being followed by you. As we stated in our
message 0063, this is in accord with our ideas. Why I suggest
the importance of your prefacing the proposal the proceed in the
Jama agreement adopting it to conditions locally.

Insertions or changes in margin numbered paragraphs of the
Jama agreement should be made in the proposals as follows:

Paragraph 4. As per our message number 0060, use your own
judgment as to the reducing the area.

Paragraph 15. 250,000 and 500,000. This answers the question
your cease.

Paragraph 17. 50 percent and 50 percent.

Paragraph 20. 15 1/2 percent and 15 percent.

Paragraph 29. 100,000 barrels.

Paragraph 35. At the end of the first sentence add: "and shall
be made in American dollars except in such cases where the
company may be compelled to accept payment for its products in
currency other than American, in which case the company shall
pay..."
have the option of settling in such other currency.

Paragraph 36. To this paragraph add paragraph 7f 1/3.

Provide a payment of 20 percent net profit available to the common stock of the operating company.

Paragraph 41. $50,000. To the end of this paragraph add following: "Graduates of such training program who prove to be deserving shall after sufficient experience be awarded with managerial or supervisory positions."

Paragraph 47. Paragraph 47 1/3 to be added to this. Provide appointment of a representative of the Government the same as Amirkhan 17th article.

Paragraph 61. At the end of this paragraph add as follows: "or any taxes higher proportionately than taxes paid by other companies engaged in the same business." Also add paragraph 61 1/3 as follows: "Upon request of Government or company at any time the parties will mutually agree on fixed payments to the Government in lieu of all taxes which payments shall not be higher proportionately than similar payments then being made by other companies engaged in the same business and if parties fail to agree on amounts of such payments within a reasonable time such payments shall be fixed by arbitration."
