My dear Mr. Pehle:

Reference is made to the visa petition executed by Mr. Joseph Ballay, 42 West 58th Street, New York, New York, in behalf of his mother, Josephine Braum Ballay, presently residing at Hidaskurt via Galante, Hungary.

It appears from the records of this office that on July 8, 1938, a petition for issuance of immigration visa executed by Mr. Joseph Ballay, in behalf of his mother, Josephine Braum Ballay, was approved and forwarded to the Department of State on August 1, 1938, for transmission to the American Consulate General at Budapest, Hungary. The date and place of her birth is given as February 12, 1865, Heves, Hungary.

As the petition recently submitted by Mr. Ballay does not indicate that his mother has been in the United States subsequent to the approval given in her favor on July 8, 1938; the authorization appears to be outstanding. Therefore, action on the recent petition is regarded as unnecessary.

A copy of the letter addressed to Mr. Ballay is attached.

Donald (Dezso) Halmos Gabor  
VP&PXU

Honorable J. W. Pehle  
Executive Director  
War Refugee Board  
Washington 25, D. C.

My dear Mr. Pehle:

On September 1, 1944 Donald (Dezso) Halmos Gabor, 6009 Independence Avenue, Riverdale, New York, executed a petition for issuance of immigration visa in behalf of his mother, Frederica Muller.

The petition indicates the beneficiary was born in New York, New York, in 1894; that she departed from the United States about 1898 and has resided in Hungary continuously since that time.

It has been informally ascertained from the Department of State that the petitioner is the illegitimate child of Frieda M. Halmos; that in 1915 the mother was married to a Hungarian citizen, thereby losing her American citizenship acquired through birth in the United States; that this marriage was terminated by divorce in 1919, and that in 1923 she married Mr. Muller, also a citizen of Hungary. If Mrs. Muller lost her American citizenship solely by reason of her marriage to an alien prior to September 22, 1922 and such marriage has terminated, it would appear that under the terms of the Act of June 25, 1936 she may be in a position to regain her American citizenship by taking an oath of allegiance before an American consular officer. As there are no American consuls in Hungary at the present time, it will be necessary for Mrs. Muller to go to some neutral country. Her case is, therefore, being presented to your Board for such action as may be deemed appropriate. A copy of this letter is being furnished the Department of State for its information.

The petition indicates Mrs. Muller is residing at Terez Korut 26, Budapest, Hungary.

Sincerely yours,

Joseph Savoretti, Acting Commissioner

from The Dept +

Department's and Board's attention has been called to the case of Frederica (Frieda M.) Muller, nee Halmos, whose last known address is Korut 26, Budapest, Hungary, born in New York in 1894, who lost her American nationality by marriage to Hungarian citizen in 1915, but, since that marriage was dissolved in 1919, may be in a position to regain her American citizenship under Act of June 25, 1936, by taking an oath of allegiance before American consular officer.

Please advise Swiss Government that Mrs. Muller is eligible for exchange under Department's 3082 of September 6, item F, and that until advised to the contrary, she is entitled to protection and treatment as United States citizen pursuant to Department's 1269 of April 13.

It will be appreciated if Swiss Government will take necessary action in this matter vis-a-vis German and Hungarian authorities.

In accordance with the proposal of your Board to bring in refugee relatives of citizens of the United States, you are informed that the petition for issuance of immigration visa submitted by Mr. Henry Knapp, 44 Main St., Highland Falls, New York, in behalf of Johanna, Wilhelm, and Rudolph Knapp, was approved in behalf of Johanna and Wilhelm Knapp and forwarded today to the Department of State together with a copy of this letter.

The beneficiaries are the parents of the petitioner. The father, Wilhelm Knapp, was born in Dauborn, Limburg, Germany, on May 17, 1895, and the mother, Johanna Knapp, was born in Mainz, Germany, on January 6, 1897. They now reside at Zanggasse No. 28 Mainz, Province Hessen, Germany.

The immigration laws make no provision for exemption from or preference within the quota in the issuance of an immigration visa to the brother of a United States citizen. Therefore, Mr. Knapp's petition in behalf of his brother, Rudolph Knapp, could not be approved. It will be necessary for the brother to apply to an American consul for an immigration visa under the quota for his native country. Mr. Rudolph Knapp was born in Mainz, Germany, on February 9, 1922, and now resides with his parents.

My dear Mr. Pehle:

Reference is made to the visa petition executed by Mrs. Clara Gueron Bassan, 205 Allen Street, New York, New York, in behalf of her mother, Reina Gueron, now residing at 30 General Danail Nicolaeff Street, Plovdiv, Bulgaria.

The records of this office show that on January 23, 1941, a petition for issuance of immigration visa submitted by Mrs. Clara Gueron Bassan in behalf of her parents, Eshua and Reina Gueron, was approved and forwarded to the Department of State for transmission to the American consul nearest the place of residence of her parents which was then given as Czar Kaloian 9, Plovdiv, Bulgaria. The dates and places of their births are 1879 and 1877, Stara Zagora and Plovdiv, Bulgaria, respectively.

The visa petition recently submitted by Mrs. Bassan does not show that her mother has been in the United States subsequent to the approval of the previous petition given on January 23, 1941, therefore, the approval is still outstanding and no action is necessary on the present petition.

A copy of the letter of this office to Mrs. Bassan is attached.

My dear Mrs. Bassan:

Reference is made to your newly executed petition for issuance of immigration visa in behalf of your mother, Reina Gueron.

The records of this office show that on January 23, 1941, a visa petition, V-291193, executed by you in behalf of your parents, Eshua and Reina Gueron, was approved and forwarded to the Department of State for transmittal to the American consul nearest the place of residence of your parents. As the present petition indicates that your mother has not been in the United States subsequent to the approval of the first petition, such approval is still outstanding and no action is needed on the present petition.

It is suggested that you communicate with the Department of State in the matter, and whether up-to-date financial evidence of your ability to support your mother is desired.

Please advise this office for its records, whether your father is still living.

My dear Mr. Pehle:

Reference is made to the visa petition executed by Mrs. Paula Fried Berg, 135 Central Park West, New York, New York, in behalf of her husband, Alfons Berg, present residence unknown.

The records of this office show that on November 1, 1940, a petition for issuance of immigration visa submitted by Mrs. Paula Fried Berg in behalf of her husband, Alphonse Berg, was approved and forwarded to the Department of State for transmission to the American consul nearest the place of residence of her husband which was then given as Thomasius Str. 11, Frankfurt-am-Main, Germany. The date and place of his birth is May 17, 1889, Kempen, Posen, Germany.

The visa petition recently submitted by Mrs. Berg does not show that her husband has been in the United States subsequent to the approval of the previous petition given on November 1, 1940, therefore, the approval is still outstanding and no action is necessary on the present petition.

A copy of the letter of this office to Mrs. Berg is attached.

Washington 25, D. C.

My dear Mr. Pehle:

Reference is made to your letter of September 8, 1944, to Major Albert L. Eisner, Armed Forces Induction Station, 234 Broadway, Milwaukee, Wisconsin, relative to his visa petition in behalf of his parents, Vilem and Helen Eisner, now residing at Poroskov, Carpatho-Ukrania, Czechoslovakia.

The records of this office show that on April 22, 1938, a petition for issuance of immigration visa submitted by Captain Albert L. Eisner in behalf of his parents, Vilem and Leni Eisner, was approved and forwarded to the Department of State for transmission to the American consul nearest the place of residence of his parents which was then given as Poroskov, Zupa Uzhorod, Czechoslovakia. The dates and places of their births were 1869 at Poroskov, Czechoslovakia, and 1878 at Nevitcke, Czechoslovakia.

The visa petition recently submitted by Major Eisner does not show that his parents have been in the United States subsequent to the approval of the previous petition given on April 22, 1938, therefore, the approval is still outstanding and no action is necessary on the present petition.

A copy of the letter of this office to Major Eisner is attached.

Sincerely yours,

Joseph Savoretti, Acting Commissioner

My dear Major Eisner:

Reference is made to your letter of September 12, 1944, transmitting a visa petition executed by you in behalf of your parents, Vilem and Helen Eisner. A letter dated September 8, 1944, to you from the Executive Director of the War Refugee Board was also enclosed.

The records of this office show that on April 22, 1938, a visa petition, V-261158, executed by you in behalf of your parents was approved and forwarded to the Department of State for transmission to the American consul nearest the place of residence of your parents. As the present petition indicates that your parents have not been in the United States subsequent to the approval of the first petition, such approval is still outstanding and no action is needed on the present petition.

It is suggested that you communicate with the Department of State in the matter, and whether up-to-date financial evidence of your ability to support your parents is desired.

Sincerely yours,

Joseph Savoratti, Acting Commissioner

Mr. L. S. Lesser  
Assistant Executive Director  
Executive Office of the President  
War Refugee Board  
Washington 25, D. C.

Dear Mr. Lesser:

Mr. Espinosa has given me your letter of July 28th, 1944, in which you ask for information as to how a list may be compiled of the names and last known addresses of persons in Axis and Axis-occupied countries for whom American immigration visas were issued or authorized on and after July 1st, 1941, but who have not arrived in this country.

I am afraid that it will be difficult to obtain such a list. As you know, the State Department issues the visas and we merely collect them upon the arrival of the aliens in this country. Whether or not the State Department at this time has the information desired by you I do not know, but I do think that that Department would be the one that can give you any help in the matter. May I suggest, therefore, that you talk to Mr. Travers, Chief of the Visa Division of the State Department, on the subject.

I shall be pleased to make our visa records of those who have arrived in the United States available to you if you think that those records will be helpful to you in obtaining the information desired.

Very sincerely yours,
