Ernestine Weingarten Pollinger
V/P&PXU

Honorable J. W. Pehle
Executive Director
War Refugee Board
Washington 25, D. C.

My dear Mr. Pehle:

Reference is made to the desire of Mrs. Ernestine Pollinger, nee Weingarten, of 870 West 181st Street, New York, New York, to bring to the United States her mother, Malvine Weingarten, nee Kraus, who when last heard from was residing at 4 rue Dupont, Brussels-Schaerbeek, Belgium, under the name of Henny Lehmann.

The records of this office show that on July 12, 1940 an approved petition for issuance of immigration visa submitted by Mrs. Ernestine Pollinger nee Weingarten in behalf of her mother, Mrs. Malvine Weingarten, was forwarded to the Department of State for transmission to the American Consulate General in Antwerp, Belgium.

The new visa petition executed by Mrs. Pollinger on October 15, 1944 does not indicate that her mother has been in the United States subsequent to the approval of the previous petition given on July 1, 1940; therefore, the authorization appears to be outstanding and no action has been taken on the present petition.

A copy of the letter of this office to Mrs. Pollinger is attached. A copy of this letter is being furnished the Department of State.

The above was sent to you on November 1, 1944 but was returned because of incorrect address.

Sincerely yours,

Joseph Savoretti, Acting Commissioner

My dear Mrs. Pollinger:

Reference is made to the visa petition recently executed by you in behalf of your mother, Malvine Weingarten nee Kraus, residing at 4 rue Dupont, Brussels-Schaerbeek, Belgium, under the name of Henny Lehmann.

It appears from the records that a similar petition filed by you in your mother's behalf was approved for a first preference status for her in the issuance of an immigration visa and was forwarded to the Department of State on July 12, 1940 for transmittal to the appropriate United States consul abroad. As the present petition does not show that your mother has since entered the United States, the authorization given in 1940 appears to be outstanding and action on the visa petition is regarded as unnecessary.

A copy of this letter has been forwarded to the War Refugee Board at Washington for its information.

The documents which you submitted in duplicate together with your petition have been sent to the Department of State for consideration in connection with the case.

Sincerely yours,

My dear Dr. Godwin:

Reference is made to the affidavits dated October 24, 1944 from the cashier of the First National Bank of St. Louis, Missouri, which were sent to this Service in connection with the applications of your mother, Sophie Gottheiner, and your grandfather, Dr. Adolph Lewinsky, last residing in Munich, Germany, for entry into the United States.

A citizen of the United States over twenty-one years of age may execute a petition in behalf of an alien parent which, if approved, will entitle the beneficiary to a first preference status in the issuance of an immigration visa. If you wish to file such a petition in behalf of your mother, you may make use of the attached forms I-133 (old form 633) which should be executed in duplicate and returned to this office. The affidavits which you forwarded will be held for consideration in connection with the petition.

There is no provision in the immigration laws for exemption from or preference within the quota in the case of the grandfather of a United States citizen, hence it would serve no useful purpose for you to file a petition with this Service in Dr. Lewinsky's behalf.

A copy of this letter has been forwarded to the War Refugee Board at Washington, D. C.

Honorable J. W. Pehle

My dear Mr. Pehle:

Reference is made to the visa petition executed by Mrs. Ida Saper Kaiser of 1302 South Karlov Street, Chicago, Illinois, in behalf of her husband, Heinrich Kaiser, whose last known address was Zawier Cie, Alte Markt Str. 5, Oberschlessen, Germany.

The records of this office show that on January 30, 1939, a petition for issuance of immigration visa submitted by Mrs. Ida Saper Kaiser, in behalf of her husband, Henoch Kaiser (Kayser), was approved and forwarded to the Department of State on April 13, 1939, for transmission to the American Consulate General at Warsaw, Poland. Mr. Heinrich Kaiser was born in Zawier, Cie, Poland, on March 7, 1907.

The visa petition recently submitted by Mrs. Kaiser does not show that her husband has been in the United States subsequent to the approval of the previous petition given on January 30, 1939. Therefore, the authorization appears to be outstanding and action on the new petition is regarded as unnecessary.

A copy of the letter addressed to Mrs. Kaiser is attached.

Sincerely yours,

Joseph Savoretti, Acting Commissioner

My dear Mrs. Kaiser:

Reference is made to your newly executed petition for issuance of immigration visa in behalf of your husband, Heinoch Kaiser.

The records of this office show that on January 30, 1939, a visa petition, V-276028, executed by you in behalf of your husband, was approved and forwarded to the Department of State on April 13, 1939, for transmittal to the American Consulate General at Warsaw, Poland. As the present petition indicates that your husband has not been in the United States subsequent to the approval of the first petition, the authorization appears to be outstanding and action on the new petition is regarded as unnecessary.

The financial evidence which you submitted with your present petition has been forwarded to the Department of State.

The War Refugee Board has been notified of this case.

My dear Mr. Pehle:

Reference is made to the visa petition executed by Mr. Hans Springer, 120 West 59th Street, New York, New York, in behalf of his father, Josef Springer, now residing at 8, Andreasgasse, Bleich-Olmuetz, Czechoslovakia.

The records of this office show that on June 24, 1941, a petition for issuance of immigration visa submitted by Mr. Hans Springer in behalf of his father, Josef Springer, was approved and forwarded to the Department of State on July 28, 1941, for transmission to the American consul nearest the place of residence of his father which was then given as 3, Parkstrasse, Olmuetz, Moravia, Czechoslovakia. The date and place of his birth is Prossnitz, Czechoslovakia, on December 7, 1869.

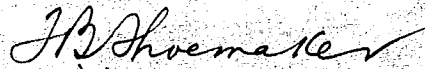

The visa petition recently submitted by Mr. Springer does not show that his father has been in the United States subsequent to the approval of the previous petition on June 24, 1941. Therefore, the authorization appears to be outstanding and no action is necessary on the present petition.

A copy of the letter of this office to Mr. Springer is attached.
