My dear Mr. Pehle:

In accordance with the proposal of your Board to bring in refugee relatives of citizens of the United States, you are informed that a petition for issuance of immigration visa has been submitted by Pvt. Louis Maier, Company K, 354th Infantry, APO 89, Camp Butner, North Carolina, in behalf of his father Sigmund and mother Clara Maier.

The immigration laws require that in order for a person to be eligible to file a visa petition in behalf of a parent, such person must have reached his twenty-first birthday. Pvt. Maier indicated on his petition that he was born on June 16, 1924, and would therefore be twenty years of age. As he is not qualified under the immigration laws to file a petition in behalf of his parents, favorable consideration cannot be given to the petition at this time.

Sigmund Maier is shown to have been born in Malsch, Baden, Germany, on January 22, 1888, Clara Maier in Berwangen, Baden, Germany, on November 16, 1891. They are shown to be residing in Europe, address unknown.

My dear Mr. Pehle:

Reference is made to the visa petition executed by Mrs. Esther Tenenbaum of 230 Madison Street, New York, N. Y., in behalf of her husband, Saul Tenenbaum, presently residing at Yagiellanska 20, Zloczow, Poland.

The records of this office show that on June 8, 1939, a petition for issuance of immigration visa submitted by Esther Tenenbaum, in behalf of Saul Tenenbaum, was approved and forwarded to the Department of State on September 14, 1939; for transmission to the American Consul nearest the place of residence of her husband. Mr. Saul Tenenbaum was born in Zarzeczcu, Poland on August 18, 1913.

The visa petition recently submitted by Mrs. Tenenbaum does not show that her husband has been in the United States subsequent to the approval of the previous petition given on June 8, 1939. Therefore, the authorization appears to be outstanding and action on the new petition is regarded as unnecessary.

A copy of the letter addressed to Mrs. Tenenbaum is attached.

My dear Mr. Pehle:

Reference is made to the visa petition executed by Mr. Rudolf Wiesen, 1206 Cortelyou Road, Brooklyn 18, New York, in behalf of his father, Josef Wiesen now residing at Terezin, Czechoslovakia.

The records of this office show that on December 7, 1938 a petition for issuance of immigration visa executed by Mr. Rudolf Wiesen in behalf of his father, Josef Wiesen and his mother, Elsa Doernberg Wiesen was approved and forwarded to the Department of State on January 23, 1939 for transmission to the American consul nearest the place of residence of his parents which was then given as Eisenach, Thuringia, Germany. The date and place of Mr. Josef Wiesen's birth is Itebe, Hungary on February 25, 1866. The visa petition recently submitted by Mr. Rudolf Wiesen does not show that his father has been in the United States subsequent to the approval of the previous petition given on December 7, 1938. Therefore, the authorization appears to be outstanding and no action is necessary on the present petition.

Mr. Wiesen advised this office that his mother died subsequent to the approval of the petition in her behalf. Therefore, the approval to accord her a relative preference status under Section 6(a)(1) of the Immigration Act of 1924, as amended is being revoked.

A copy of the letter of this office to Mr. Wiesen is attached.

Sincerely yours,

Joseph Savoretti, Acting Commissioner

My dear Mr. Wiesen:

Reference is made to your newly executed petition for issuance of immigration visa in behalf of your father, Josef Wiesen.

The records of this office show that on December 7, 1938 a visa petition No. V 273116, executed by you in behalf of your father and mother was approved and forwarded to the Department of State on January 23, 1939 for transmittal to the American consul nearest the place of residence of your parents. As the present petition indicates that your father has not been in the United States subsequent to the approval of the first petition, such authorization appears to be outstanding and no action is needed on the present petition.

As your mother is no longer living, the approval to accord her a preference status under Section 6(a)(1) of the Immigration Act of 1924, as amended is being revoked.

It is suggested that you communicate with the Department of State in the matter, and whether up-to-date financial evidence of your ability to support your father is desired.

Stephen Bogda
V/P&PXU

Honorable J. W. Pehle
Executive Director
War Refugee Board
Washington 25, D. C.

My dear Mr. Pehle:

Reference is made to the visa petition executed by Stephen Bogda, 893 South 20th Street, Newark, New Jersey, in behalf of his son, Jarko Bogda. His last known address is Babuchiw, Post Office Rohatyn, Poland.

The records of this office show that on May 13, 1939, a petition for issuance of immigration visa submitted by Stephen Bogda in behalf of his son, Jarko Bogda, was approved and forwarded to the Department of State on September 8, 1939, for transmission to the American consul nearest the place of residence of his son. Jarko Bogda was born in Babuchiw, Rohatyn, Poland, on November 22, 1933.

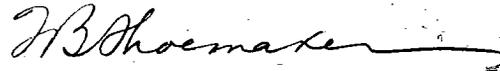

The visa petition recently submitted by Mr. Bogda does not show that his son has been in the United States subsequent to the approval of the previous petition given on May 13, 1939, therefore, the authorization appears to be outstanding and action on the new petition is regarded as unnecessary.

A copy of the letter addressed to Mr. Bogda is attached.

Sincerely yours,

Joseph Savoretti, Acting Commissioner

My dear Mr. Bogda:
